## A. GENERAL

1. Districts are generally organized along state and/or geographical lines. (see Table A and map at the end of this section for current district breakdown)
2. District lines may be altered by the Board of Directors after due notice to the members in districts affected by the change. The Board may elect to have district membership vote on any such changes.
3. A district must have at least one club before it can have its Director seated on the Board of Directors.

## B. FINANCES

1. Nothing in this document will prohibit any district from raising and maintaining their own funds.
2. Fee schedules for events will be set by the district and will be uniform throughout the district.

## C. MEETINGS

1. Each club having a minimum of five NAMBA members will have two votes at a district meeting, to be cast by the club's secretary and/or delegate in person. A representative can only represent one club and cannot be counted as a member of other clubs for membership minimums.
2. Each district will hold at least one annual meeting of its members for the purpose of transacting business pertaining to its district and/or NAMBA organization.
3. At the district meeting, agenda items will take precedence over business presented from the floor.
4. Classes and events will be approved at the district meeting held the prior year.
5. Points received at district points races may, at the option of the district, be doubled.
